WESTGATE ANNOUNCES PARTNERSHIP

Westgate Door Industries is proud to introduce our new line of loading dock systems by Blue Giant. Blue Giant was founded in 1963 and initially specialized in the manufacture of dock levelers and hand pallet trucks. In the following years the company grew rapidly with the addition of innovative technology and expanded product offerings and the addition of manufacturing and distribution facilities around the world.

Blue Giant is now a global leader in the design, manufacture and distribution of loading dock equipment world wide.

Blue Giant offers a complete line of products including dock levelers, ground-level lifts, vehicle restraints, dock and door guards, door seals and shelters, and driver control and safety systems to a diverse offering of material handling products. Blue Giant can offer turnkey solutions for the most demanding freight-handling needs.

KEY FEATURES, PRODUCTS AND BENEFITS

- Blue Giant is the premier solutions provider of safe, effective, and technologically innovative loading dock and material handling equipment.
- Blue giant's wide variety of standard and custom products will suit the needs of all dock related applications
- Blue Giant's extensive marketing program means they are the most commonly specified and widely accepted dock product manufacturer.

The LEED initiative for green building design is something Blue Giant takes to heart. Blue Giant products can be included in LEED construction projects, contributing to the overall environmental-conscious building design.
