

## Announcement • Northern Expansion **NEW DISTRIBUTION FACILITY**

Westgate Door Industries is proud to announce the opening of our new distribution centre in Prince George British Columbia. Effective June 5th 2012, the new facility will be open to serve Northern BC customers.

**This facility will reduce your lead times and eliminate costly freight damage. Furthermore, a 3-4 week lead time will now be available on select custom products and sizes.**

We have a strong customer base in Northern BC and with this new distribution center we will now be able to serve this region with a greater level of efficiency.

Improving service to our customers is a top priority at Westgate Door Industries and we are pleased to strengthen our commitment to this area.

For more information please contact your dealer or inside sales representative.
